

78B-15-704 Consent to assisted reproduction.

- (1) A consent to assisted reproduction by a married woman must be in a record signed by the woman and her husband. This requirement does not apply to the donation of eggs for assisted reproduction by another woman.
- (2) Failure of the husband to sign a consent required by Subsection (1), before or after the birth of the child, does not preclude a finding that the husband is the father of a child born to his wife if the wife and husband openly treat the child as their own.
